Abstract N/A.

Correction to: Solar Physics (2018) 293:29
<https://doi.org/10.1007/s11207-017-1201-5>

We wish to call the reader’s attention to the fact that the corrections described by Larson and Schou (2023) concerning Larson and Schou (2015) also apply to Larson and Schou (2018).
